Discover Lowe Wolf's life and past history of  
successes and failures before he begins his revenge plan.

The villain, the Fox Lord, has recruited the  
Lone Wolf's former allies to assist in his mission to the  
Jungle regions of the Barrier Guarded by Lord Puff.

The self-appointed Duke, just like all his allies  
was born leader of the people and great soldier.  
But plan ruined and damaged his personal identity  
to the point he is beyond all the heroic Barleykin  
military.

Can you turn the course of history? Will the  
Reckless Baron and his crew of Agonistic  
Ghoul will you fall foul of them and return to  
will you defeat them and rule your kingdom?

The LOWE WOLF adventures are a unique  
fantasy-puzzlebook series - each episode  
can be played separately or you can  
combine them into one epic  
role-playing epic.
